TELEPHONE FOREMEN ARE NEVER HIRED

. . . they're promoted from the ranks!

In the Illinois Bell telephone organization the men at the top all started at the bottom. Foremen are never hired; they're promoted from the ranks. The same is true of all positions. This established policy of promotion from the ranks means that your telephone service is under the supervision of men and women with thorough training and experience, who know the needs of the service and take personal pride in making it dependable, pleasing and low in cost.
